

FARMEST CCT

Package	Price
10ml	Euro 2,06
50ml	Euro 2,43
100ml	Euro 3,75
250ml	Euro 4,59

PROPERTIES	,Thanks to its solvent properties, it is also used as a solubilizer for ingredients with poor water solubility
APPLICATIONS	Component of perfumes, products for daily hygiene, cosmetics
APPEARANCE	Liquid
COLOUR	<= 50 (APHA),From colorless to pale yellow
INCOMPATIBILITY	With strong oxidizing substances
INCI NAME	Caprylic/Capric Triglycerides
NOTES	It does not contain substances prohibited in cosmetics (Reg. 1223/2009/EC, Annex II and IV),It does not contain restricted substances in cosmetics Reg. 1223/2009/EC Annex III,It does not contain preservatives and UV filters (Reg. 1223/2009/EC),It does not contain dyes (Reg. 1223/2009/EC),Free from substances listed in SVHC,It does not contain substances classified as C.M.R. (Reg. 1223/2009/EC),It does not contain nanoparticles/nanomaterials (Reg. 1223/2009/EC),It has not been tested on animals for cosmetic purposes,Not irradiated
ODOUR	Odourless
SOLUBILITY	,Not soluble in water and glycerol
